... and all surfacing, colors, Premium, Plus, SPF, and fire-retardant (FR) versions thereof meet the **OSHA definition of an "Article" under 29 CFR 1910.1200(c) and does not require a Material Safety Data Sheet (MSDS) as indicated under 29 CFR 1010.1200(b)(6)(v).**

**Articles of Manufacture are defined as:** "... a manufactured item which is formed to a specific shape or design during manufacture, which has end use functions depending in whole or in part upon its shape or design during end use and which does not release or otherwise result in exposure to a hazardous chemical under normal conditions of use."

As the above products fall under the definition of Articles of Manufacture, there is no need for a MSDS. Therefore, no MSDS has been forwarded to your attention. This helps us greatly in our efforts to reduce the amount of paper we use, and in turn to preserve our natural resources.

If you have any questions regarding the above, please call our Environmental, Health, & Safety Department at 1-800-762-8225 ext 3511.

Sincerely,

THE GARLAND COMPANY, INC.
